

If you are reading this letter, I would like to thank you in advance for considering Laughs Unlimited Comedy Club to host your next event.

It's hard to believe that it has been 9 years since I walked through the doors of the 12th longest running comedy club in the nation and recognized the amazing potential that now is the trademark of this venue. About two years ago, we began a top-to-bottom restoration of the club. If you haven't been here since, you have definitely been missing something special. If you have never been to Laughs Unlimited, we would like to invite you for the first time.

Every week, we put the best headlining comics in the business on the stage. Whether a household name or "soon-to-be-famous," you always get the best. We also can provide this same incredible talent if you have an event at another venue!

Check out the rest of the information in this package. Call us anytime for more information.

Thanks again and I wish you Continued Success!
